CANADIAN WOODEN NICKEL

The large wooden flat shown above was issued by member Clarence C. Kramer of Drums, Pennsylvania and was distributed by him at the C.A.W.M.C. breakfast meeting at the C.N.A. Convention in Montreal.

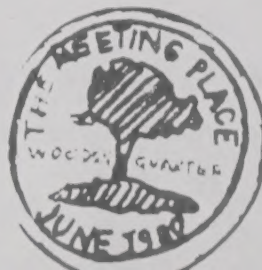

Membership dues in the Canadian Association of Wooden Money Collectors is \$5.00 per calendar year and should be sent to our Secretary-Treasurer, Bruce Watt, 1153 Northridge Street, Oshawa, Ontario, L1G 3P3.

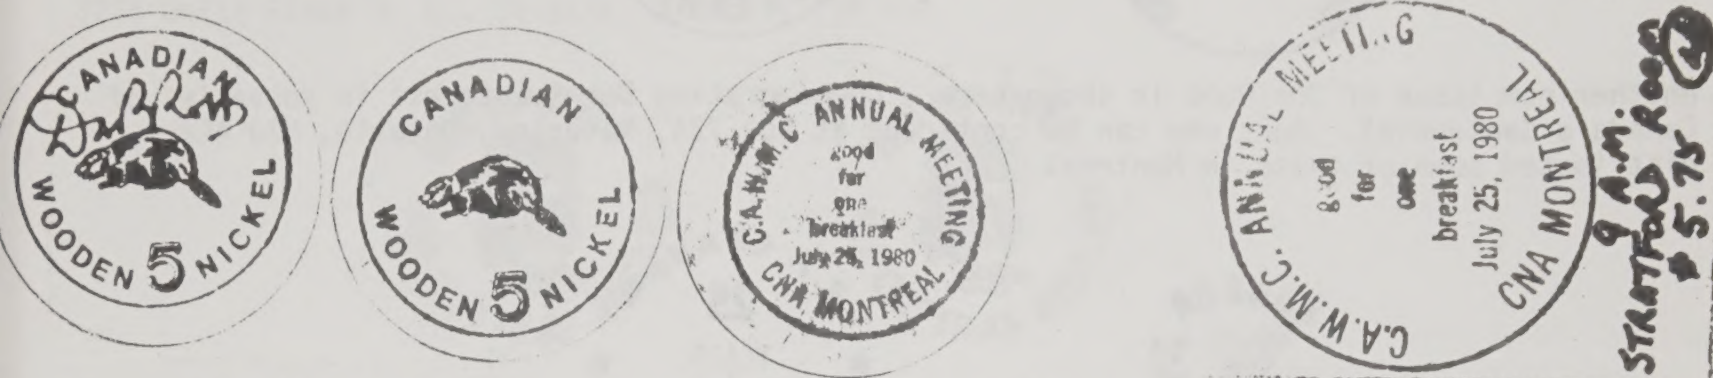

This wooden memorial to Tom Hudson by the California Wooden Money Association was distributed at the C.A.W.M.C. meeting in Montreal by Frank DeGillio.

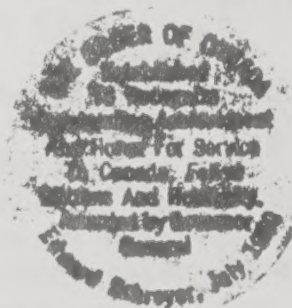

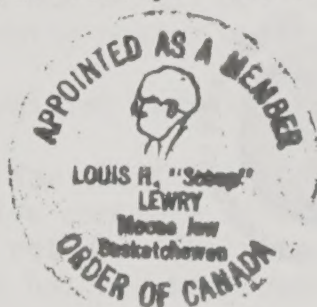

Two other flats given out at the Montreal meeting are shown above. Top: President Don Robb's flat wooden nickel. Bottom: a new flat depicting the Canadian Griffon commemorative dollar. The latter piece was also distributed by Frank DeGillio.

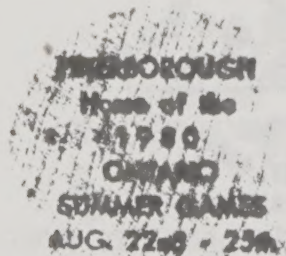

Shown at the bottom of page 2 is the new Newmarket, Ontario "broomstick" wood mentioned in last month's Timber Talk. Member Aubrey Leslie has a number of these woods available at 50¢ each plus SASE. Write to Leslie's Coins & Stamps, 69 Yonge Street S., Aurora, Ontario. The woods commemorate Newmarket's centennial.

These special round woods were prepared for the C.A.W.M.C. breakfast meeting at the CNA Convention in Montreal by our President, Don Robb, using a rubber stamp for the obverse. The light red obverse reads: C.A.W.M.C. ANNUAL MEETING CNA MONTREAL and Good for one Breakfast July 25, 1980. The stock beaver reverse is black. A rubber stamp similar to that used for the breakfast ticket - also shown here - was used for the obverse. Only 100 of these woods were made: at the last count 30 had been signed by the President and 70 remained unsigned. One of each was given to every person attending the breakfast. None will be issued publically. The remainder will be destroyed.

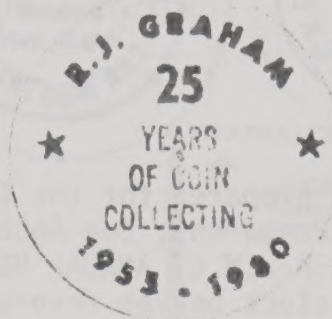

CONGRATULATIONS to C.A.W.M.C. Governor Louis H. "Scoop" Lewry who was distinguished by being awarded the Order of Canada in July by Governor General Edward Shreyer. This wood was issued by Scoop to celebrate the honour. He has generously made enough available to give out to each member in a future Timber Talk.

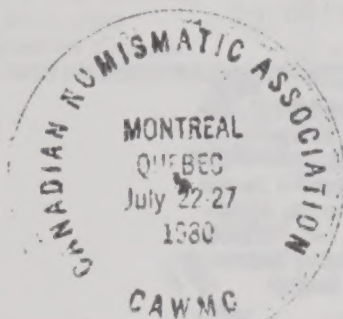

Elsewhere in this issue, you will see notice of a wooden money manufacturer in Canada, Jim Deluney. Norm Wells commissioned the above wood from Mr. Deluney, to commemorate the Ontario Summer Games in Peterborough. ~~Scoop has generously offered to donate enough for each member to receive one and these will be sent out with a later issue of Timber Talk.~~

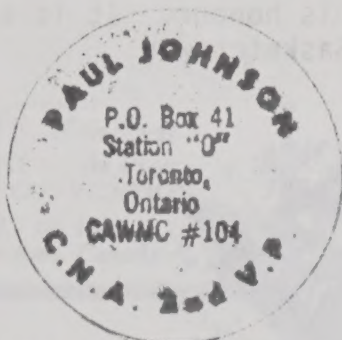

Another new issue of Don Robb is shown here - commemorating Don's interest in souvenirs of Canada's Centennial. Don, who can be contacted at Box 724, Waterloo, Ontario, N2J 4C2, distributed some of these in Montreal.

Depicted above is a new blue wood of Bob Graham, 395 Fraser Street, Pembroke, Ontario, K8A 1Y5. Free to C.A.W.M.C. members for a SASE.

This wood with the red obverse and black C.A.W.M.C. logo reverse was issued by the association to celebrate our meeting in Montreal. They will be sent out free with a future issue of Timber Talk.

FREEBIE OF THE MONTH: Paul Johnson of Toronto, C.N.A. Second Vice-president has donated a sufficient quantity of his new wood to send one free to every member with this issue of Timber Talk. Thanks very much, Paul.

Shown above is another new issue, for the wedding of Patricia Irving and Armand Massey on

June 28, in Calgary. The obverse is blue and the reverse black. The reverse shows the same united church as on the Dolores and Edgar Massey and the Floyd and Irene Mogen 25th anniversary woods. Armand is the son of Dolores and Edgar Massey. It is not known if any of this wood are available to collectors: inquiries should be sent to Mr. Mark Mogen, 3715 Unity Place N. W., Calgary, Alberta, T2N 4G4.

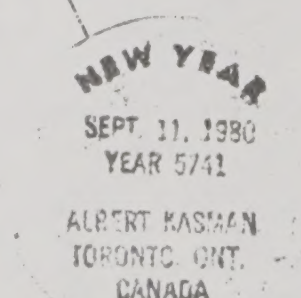

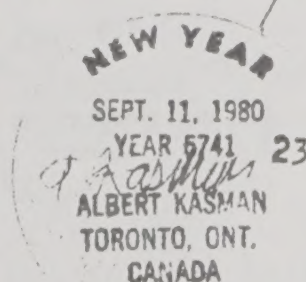

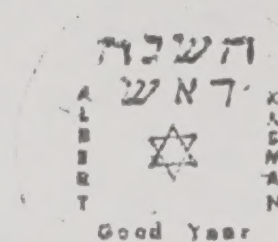

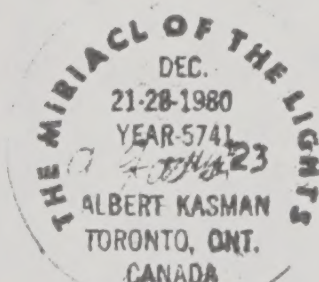

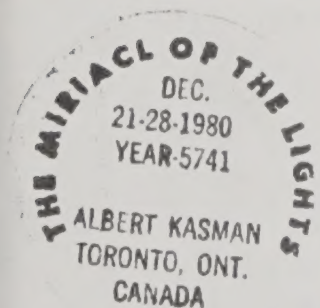

The doubly thickness, double obverse "natives are restless" wood shown here was given out by Gary Littrell of Amarillo, Texas during the gathering in Montreal.

EDITOR'S NOTES: We have been invited by the Fredericton Numismatic Society to hold a regional meeting at the Atlantic Provinces Numismatic Association Spring Convention in Fredericton, New Brunswick in May, 1981. We are also informed that a room has been set aside for us to hold our Annual Meeting at the C.N.A. Convention in Toronto, next Summer (the Convention is being hosted by the Toronto Coin Club).

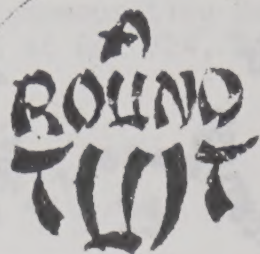

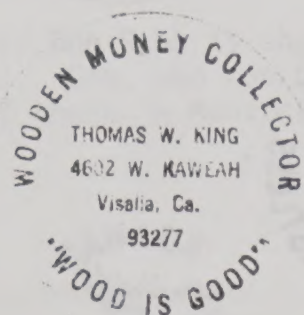

Your editor needs articles (any length will do): the file is now depleted.

Just before leaving for the C.N.A. Convention in Montreal, I received from Secretary-Treasurer Bruce Watt a complete list of paid-up members. There were several names on the list for whom I had not previously received the renewal notifications that Bruce had sent me. My mailing list has now been updated, and I extend apologies to those members for any inconveniences caused to them by this discrepancy.

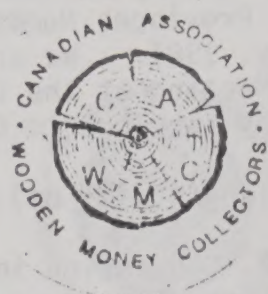

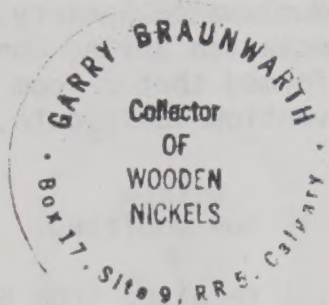

This issue of Timber Talk is, of necessity extra-long, in order to cover most of the new issues recently brought to our attention.

Member Albert Kasman, P. O. Box 73, Station T, Toronto, Ontario, M6B 3Z9 advises us of his latest issues of wood, shown at the bottom of page 5, honouring the Jewish New Year on Sept. 11, 1980 (red ink) and Chanukah on Dec. 21 - 28, 1980 (black ink). The plain ones are for sale at 50¢ each or 5 for \$2.00 plus a SASE. Albert notes that the numbered and signed woods are not generally available; "as I am only numbering 60 for people who have the previous numbers, there will not be enough to go around."

U. S. member Tom King, 4602 W. Kaweah, Visalia, California 93277, U. S. A. advises that he will send one of his new address "round tuits" to members interested in personal woods, free for 15¢ in unattached Canadian stamps.

Member Garry Braunwarth of Calgary has issued a new round wood with the C.A.W.M.C. logo on the reverse in black ink and his address on the obverse in blue ink. These were distributed at our meeting in Montreal. Garry has made enough of this issue available to send one out to each member with a future issue of Timber Talk.

There is now a wooden money manufacturer in Canada. The name of the Firm is Deluney's Wooden Nickle Company. A list of prices is appended below. For further information write to Mr. Jim Deluney, Box 952, Angus, Ontario, L0M 1B0. This is the firm which produced the Huronia Numismatic Association woods listed last month, and also the Peterborough woods listed elsewhere in this issue: Both issues are of maple. 300 of the Peterborough issue were made.
